Cairns come to us from many places – owners surrender them, shelters ask us to help them so they don't have to euthanize a healthy dog, and we do get puppymill dogs. Our members watch the stories of each dog, hoping we can help them to a happy long life matching each cairn to the right family, and each family to the right cairn. Every dog in care will be In Our Hearts Forever! Read more about some in care now on our NLOL page… Lexington who came to us pregnant – and who would have died during the whelping without vet care, Dina who came to us injured and in need of surgery, and General – who died 10 months after being adopted out due to the suffering he had lived through before he came to us.

This New Leash has our usual wide range of gifts, Cairn Terrier related items, and more. Besides the fun you are about to have participating in this much anticipated event, you will have the chance to win something really special, plus you are helping us to help these spunky little dogs. How would you like to spend a week in Hawaii or Georgia? Or get a great digital camera? Or a watch? Perhaps a Garmin GPS is to your liking! Not to mention all the GREAT dog items – including a fancy tile box! Check out all the wonderful prizes. There is something there for every taste.
