Each New Leash starts with stories of cairns taken in by Col. Potter, sad little ones who need our help. In these economic times, they are the lucky ones. As people lose their homes and move into different circumstances, sometimes there is no room for the family dog. Some people contact us, some leave the dog on the street and the shelter contacts us before the dog has to be PTS. As the economy slows, more and more commercial breeders are in serious economic trouble and are getting rid of 'their stock'. Some at auction, some by direct sales, some by putting them to death. When the dogs are lucky, the family or the breeder contacts Col. Potter for help with their cairns, and so far, we have been able to be there.

This New Leash has our usual wide range of gifts, Cairn Terrier related items and more. Besides the fun you are about to have participating in this much anticipated event, you will have the chance to win something really special, as well as helping us help these spunky little dogs. How would you like to spend a week in Hawaii or Georgia? Or get a VISA GIFT CARD? Or a great GPS? A new Monitor? In the need for a quilt – we have several beautiful ones waiting for you! Maybe a new dog bed? And two beautiful porcelain dolls. There is a wide range for all interests.
