In June 2007, [Silver Linings Originals](#) decided to create a quilt to help a dog rescue group get funds to care for their rescue dogs. Col. Potter Cairn Rescue Network entered and was honored to receive this quilt for our fundraising purposes. Love That Pound Puppy Quilt has been independently appraised and valued at \$4,500.00 - this is a tremendous gift to us.

CPCRN Volunteers search petfinder.com listings and contact their local shelters to try to find cairns and cairn mixes in need of assistance. We provide support to the shelters for the harder to adopt out cairns which may be in need of behavioral assistance or medical care. We do not refuse a cairn simply because they are old. By accepting these dogs into our program we can save them from being euthanized while also opening up space at the shelter for other dogs to have a chance at life. Linda Hibbert, the quilt designer, is well known for her "Best in Show, All Breed AKC" which was featured in Quilters Newsletter in 2007 and consists of 7 full size quilt panels and spanning nearly 40 horizontal feet incorporating all of the AKC dog breeds, arranged in AKC groups and regularly tours the US at quilt shows.
